- X GLUTEN FREE
- X ACID FREE
- X NO SWEETENERS
- X NO ARTIFICIAL COLOURS
- X NO PRESERVATIVES

**PRODUCT DESCRIPTION**

Proteins support a growth in muscle mass and its maintenance. AMINO EAC contains all 8 essential and 3 semi-essential amino acids in free form. The combination of free amino acids allows a targeted adjustment of a required amino acid profile.

EAC does not deliver any surplus energy and concentrates on what is most important: the essential amino acids. That is the reason why EAC is also particularly appropriate for athletes who prefer a targeted and limited protein supply and no extra calories.

ADVANTAGES

- **All essential and semi-essential amino acids**
- **Very high leucine content (2400 mg/12 tabl.)**
- **Total BCAA (5200 mg/12 tabl.)**

UTILISATION

Take alone or in combination with protein or recovery products, divided in 2 portions before and after exercise.

Do not exceed 12 tablets daily. Food supplements do not substitute for a varied and balanced diet and a healthy lifestyle. Store out of reach of young children.

INGREDIENTS

Amino acids (L-leucine, L-lysine hydrochloride, L-valine, L-isoleucine, L-threonine, L-tyrosine, L-phenylalanine, L-histidine, L-methionine, L-cysteine, L-tryptophan), bulking agents (cellulose, E1201), anti-caking agents (E1202, E551, E470b), glacing agent E464.

PACKAGING

Can (140 tablets) (12 daily rations)
