QUICK INFO

- X LACTOSE FREE
- X GLUTEN FREE
- X ACID FREE
- X NO SWEETENERS
- X NO ARTIFICIAL COLOURS
- X NO PRESERVATIVES

PRODUCT DESCRIPTION

COMPETITION® is an acid free sports drink for high energy needs, made out of a large mix of carbohydrates with different glycemic Index and electrolytes. Thanks to its special composition and its neutral or very light flavouring, Competition® is also optimally appropriate in high concentrations and intensities.

Enriched with the electrolytes sodium, calcium, magnesium, potassium and chloride. Calcium plays an important role in the energy metabolism and in association with magnesium and potassium it contributes to normal muscle function.

Appropriate to support the physical performance during endurance exercise as well as for rehydration of the fluid losses after physical activities.

ADVANTAGES

- **Free of acid, it is a pH neutral competition drink**
- **Hypotonic also with a dosage of 100g/liter**
- **High molecular starch hydrolysates with a very low osmolarity**
- **Isomaltulose (glucose + fructose) and trehalose (glucose + fructose)**

UTILISATION

Sports drink for the highest energy needs and demands. Also suitable for carboloading.

INGREDIENTS

Starch hydrolysates (barley [free from gluten], rice) 26%, glucose, maltodextrin, sucrose, fructose, isomaltulose* 6.5%, trehalose** 6.5%, 5 minerals (sodium citrate, calcium lactate, magnesium citrate, sodium chloride, potassium citrate), flavours, colouring vegetables extract. *source of glucose and fructose **glucose source
